

IAAF CONTINENTAL CUP

Marrakech, MAR

13-14 September 2014

Entries, Team Selection, Scoring, Lane Draw and Competing Order

Entry Regulations

Each team shall enter two athletes for each individual event and one team (of maximum six athletes) for each Relay. No athlete shall be allowed to double in the 3000m and 5000m. Only one athlete from any one country may compete in each individual event. Each team may also enter up to a maximum of three overall reserve athletes.

Team Selection

According to the information provided, Teams will be selected as follows:

- Africa: African Senior Championships (Marrakech, 10-14 August 2014)
- Americas: selection by rankings
- Asia-Pacific: selection by rankings
- Europe: European Championships (Zurich, 12-17 August 2014)

Scoring

The winner of each individual event will score 8 points, the second will score 7 points, the third 6 points, and so on.

In relay events, the scoring shall be: 1st – 15 points, 2nd – 11 points, 3rd – 7 points, 4th – 3 points.

If an athlete (or relay team) does not start or does not finish or is disqualified, the team shall receive no points for that athlete (or relay team) but the remaining teams will receive the same number of points as if all athletes had completed the event. E.g. if an athlete does not achieve a height in Pole Vault, the winner will still score 8 points.

Points achieved by men and women will be combined and the overall winner of the IAAF Continental Cup will be the team with the most combined points.

Ties

If there is a tie in an event, the combined points of the athletes so tying shall be divided. If two or more teams gain the same number of points in the final score, the tie shall be decided in favour of the team with the greater number of first places. Should the tie then still remain, the team with the greater number of second places shall be given the higher position, and this system shall be applied, if necessary, to subsequent placing until the tie is broken.
